

Pandemic Prayer

O God,

Hear this prayer for our comfort and peace,
during these trying and difficult times,
while the corona virus Covid -19 pandemic
disrupts our communion as the body of Christ.

Be with us, Emmanuel, during this evening time –
in this strange and socially isolating meeting.
Remind us that we have promised to nurture
one another in this uncertain world.

Be with us, Holy Spirit, we ask for guidance –
help us, when we neglect to tolerate the pain
to our church family our friends and our loved ones.
caused by the turmoil of the suffering surrounding us.

Be with our world, O Christ, walk with us –
when daylight's shadow surrounds us in the valley
and the darkness of nighttime engulfs us –
Please, take away the dread of our anxiety.

Now, hear us while we pray.
May Your rich Grace impart
courage to our fainting hearts.
In the name of the Lord, we pray.

Amen
